THE 1951

R O C K E T

MAYVILLE HIGH SCHOOL

MAYVILLE, WISCONSIN

DEDICATION . . .

We affectionately dedicate this annual to our respected teacher, Harold R. Knueppel, whose friendliness has become contagious and has spread throughout the school, making it a happier place. Our lives have been made richer by coming in contact with Mr. Knueppel's belief that "life is what you make it."

Standing: Mr. M. R. Altenburg, Mr. C. G. Ruedebusch, Mr. K. Royer, Mr. H. Schellpfeffer.
Seated: Mr. G. Jones, Mr. A. Leder, Mrs. C. Engel.

SCHOOL BOARD...

Aims and objectives of our present day educational system are a proper concern of students and their parents, teachers, school administrators, and the citizens of a community who are furnishing the funds needed to operate and maintain a well-balanced school program. Constant friction between any of these groups spells disaster. It is the function of a School Board, as representatives of the community which they serve; to give proper consideration to the interests and needs of all such groups, and by so doing, assist in establishing a means by which each individual student will have prepared himself to accept the responsibilities of citizenship upon graduation from our school. This policy is foremost in our minds at all times, and we sincerely believe that the students attending our school will do their part in helping maintain the democratic form of education established by the founders of our nation. We know that they have done so in the past.

YOUR SCHOOL BOARD.

My best wishes for success to all of the graduating class. To a great extent your success will be measured by your own ideals, ambitions and endeavors. May the mark each of you makes in life be on the credit side of the Ledger of Life; may your contribution be in things and deeds that are worth while. This can be done only by ever keeping your ideals high.

GEORGE E. JONES

In view of the fact that much has been written of late relative to education and its relationship to financial success, little has been said about those other values of education, very abstract yet very vital, including future happiness, success and a knowledge of the fundamentals of better citizenship. We are becoming more and more aware of the need for the improvement of human relationships and where diplomacy and war have failed, it seems that education must succeed. Our mid-century educational aspirations must be for more education; so the leaders and leadership required for society and government to survive are available.

STUDENT COUNCIL

The purpose of the Student Council is to promote the democratic element so necessary in high schools, to give the student body a voice in school administration, and to promote and carry out improvements. The Student Council members are acquainted with active participation in good government and leadership.

The council under the direction of their

advisor, Mr. Altenburg, have completed a very successful year during which they sponsored many activities which included a Sadie Hawkins dance, a play by the Piper Players, selling of mums at Homecoming, holding a little ten meeting, sponsoring dances after basketball games, and serving do-nuts to players after basketball games.

Through the year there has been something lacking that would have made all activities of the Class of '51 a bigger success. Tommy always entered into school activities with such enthusiasm that our experiences with him are more than happy memories. We all like to think of Thomas A. Weinberger as a model after which to mold our lives.

PROPHECY

Here we are aboard the good ship U-235 on our way to Alaska to participate in the big uranium rush. On board we meet many of our old classmates. Bill Bachhuber, the captain of the ship, is conducting us around. While doing so he informs us of an episode yesterday in which Gerry McGilsky, while leaning over the rail during a seige of seasickness, fell overboard. Bob Karsten and Vince Lamers shipmates, happened along in time to jump in and save her. Ralph Smith, a famous meat packer, volunteered his services as doctor while Maryanne Hussli assisted him as nurse.

We have a talk with Diane Glenn, renowned business tycoon. She tells us that on the way out from Milwaukee she visited the enormous cattle ranch operated by Jerry Weiss and Alan Blank located in several of the northern counties of Wyoming. The engineer on her train was Ray Callies. Diane's bookkeeper June Ruecker Zimmerman and secretary Bonnie Hanson accompanied her. Bonnie tells us that Doris Krueger would like to have come, but her duties as forest ranger prevented her from doing so. Lewis Garms, Diane's chauffeur, tells us that just before he

came out here he visited Ed Schalinski, star forward on Wisconsin's basketball team and Alan Ehrhardt, who is taking a course dealing with the psychology of the bovine brain at the University of Wisconsin. We hear that Roman Roll and Hank Schabel, ship's stevedores, while checking the life boats yesterday, found a stow-away by the name of Carlie Magyar.

It's getting on toward evening now, and we begin to hear the music of Gordie Stuckmeyer's orchestra, drifting out of the ballroom. We enter just in time to hear a trombone solo by Judy Genzmer. A beautiful girl in a strapless, backless, low neckline evening gown sidles up to us. We find that her name is Jeanette Wendorff, girl vocal soloist with Gordie and his band. We wander into the cocktail lounge and spy Danny Stipanovic, Lee Grabow, and Ted Kahlow at the bar talking to cocktail shaker Don Bilgrien. Danny, Lee, and Ted, on leave from the Army tell that Lts. Tony Zuelsdorf and Zark Kahlow were the pilot and co-pilot on the plane that brought them to Seattle. Tony remarked that he had seen Sgt. Harry Reese on leave in Los Angeles.

We wander into the dining room, find an empty table, and seat ourselves. We are waited on by Lilas Mae Sheberl who gives us the information that Roger Fink is the ship's chief cook and bottle washer. We decide not to eat any dinner and take a stroll on deck instead. We see Margaret Ringle and Carol Balthazor sitting in deck chairs admiring the beautiful full moon. We catch two honeymooners spooning on deck and find on separating them that their names are Dr. and Mrs. Steve Mann. Mrs. Mann is the former Dorothy Rosenkranz. Steve just graduated from Marquette dental school and is going to Alaska to set up a practice. Jack Pichotta, who graduated with Steve, is doing a brisk business pulling Elk's teeth from old Elk. Further along the deck we see Courtney Schwartz and Friedhart Lentz deep in conversation. We join their spiel and find that they are on their way to Alaska to set up a homestead. We wander through a hatch and find ourselves descending the stairs to the boiler room, where we meet Curtiss Becker and John Scharpf tending the boilers. We find our way back on deck where we bump into Rosemary Schinderle and Rosemary Volkmann who plan to go into the undertaking business in Alaska. Our conversation is interrupted by a commotion down the deck a ways. On investigating we find ourselves in the midst of a group of girls consisting of Rosemary Czoschke, Jeanette Wendorf, Marvelyn Zehren, and Caroline Weninger. On inquiring we find that the Kansas City School of Business is conducting this group of their students on a tour of Alaska in order to investigate job opportunities. We spy, hanging by his heels from an overhead wire, trying to achieve an unusual camera angle, "Life" Photographer Victor Mayer, being sent to Alaska on a special photo assignment.

Time to retire. On our way to our quarters, we meet Vivian Schellpfeffer and Carol Frings. Vivian is going to Alaska to join her husband who is stationed with the army there. Carol, who was a famous chorus girl in New York, has accepted a position in a Fairbanks night club.

On our way to breakfast, we meet a group of studious looking people consisting of Myrtle Youngbeck, Superintendent of Fairbanks Public schools; Ed Grosnick, Manual Arts teacher; and Grace Boegel, who specializes in teaching baby seals how to swim. We find that they are on their way to newly acquired positions in the Fairbanks Public school system.

After breakfast we take a walk over to the swimming pool. On our way we meet a woman all decked out in sheepskins, sweaters, jackets, boots and the like. During an interesting conversation with her we find that her name is Vivian Bogenschneider, well known adventuress, who is on her way to explore

the frozen recesses of Alaska. On approaching the swimming pool, we see two interesting forms in bathing suits engaged in an earnest conversation. We find that the male form is Oliver Jacobson and the female, Arlene Neumeyer. They tell us that they are on their way to Alaska to investigate lumber prospects; "Jac," for his huge lumber company located in Brownsville, and Arlene, for her husband who is an eminent carpenter.

Suddenly we hear shouts of joy. We see a familiar girl and ask her what the commotion is about. She introduces herself as Agnes Kluge, well-known designer of clothes for dogs of distinction. We find that land has been sighted. As we pull into port we sight the great fleet of fishing craft owned by Harley Wild, salmon fisherman.

Leaving the ship we spy an odd looking prospector dressed in bearskin and caked with dirt. On wiping away the mud we find it is Bill Hurst. He tells us he has talked to engineers, Donald Lackas and Dean Krenz, who are laying out a uranium mine near Juneau. Hearing the squeal of brakes we whirl around to see a taxicab parked up a telephone pole. Who should step out but Shirley Robertson. She eases the cab down and drives us to the Penguin Hotel owned and operated by Delores Schmidt and Dorothy Giese. We go up to the desk and ask Jane Schimelpfennig, the receptionist, if she has a room for us. She gives us the key to room 13. We take the elevator, operated by Delores Rosin, to the second floor where we are met by Delores Stortz who is carrying a bundle of sheets and pillow cases. We freshen up and decide to take in some of the scenery.

We walk down main street noticing that most of the business establishments are taverns, called "The Three Musketeers Bar" and discover Betty Schmidbauer trying to revive a half dead prospector. Betty tells us that Marilyn Krapfl, Stella Nellessen, and herself are the proprietors. All quiets down and two dancing girls come out on the floor. The music starts and the girls begin a hula. Betty gives their names as Ardis Giese and Harriet Farrington.

On our way back to the hotel we meet Dianne Schalinski, secretary to Don Lackas and Dean Krenz. She is just leaving a hardware store where she purchased some drill bits.

Don broke his old ones while drilling for uranium.

Just before we enter the hotel, we pass a small bakery owned and operated by Violet Ehlers. Lucille Loest, now on her honeymoon, is just leaving the bakery alongside a walking package carrier, breaking him in early.

We go back to the hotel and after a delicious dinner, cooked and served by Audrey Belling, we retire to dream of the many episodes that have occurred in the last several days. Good Night.

1950 JUNIOR PROM

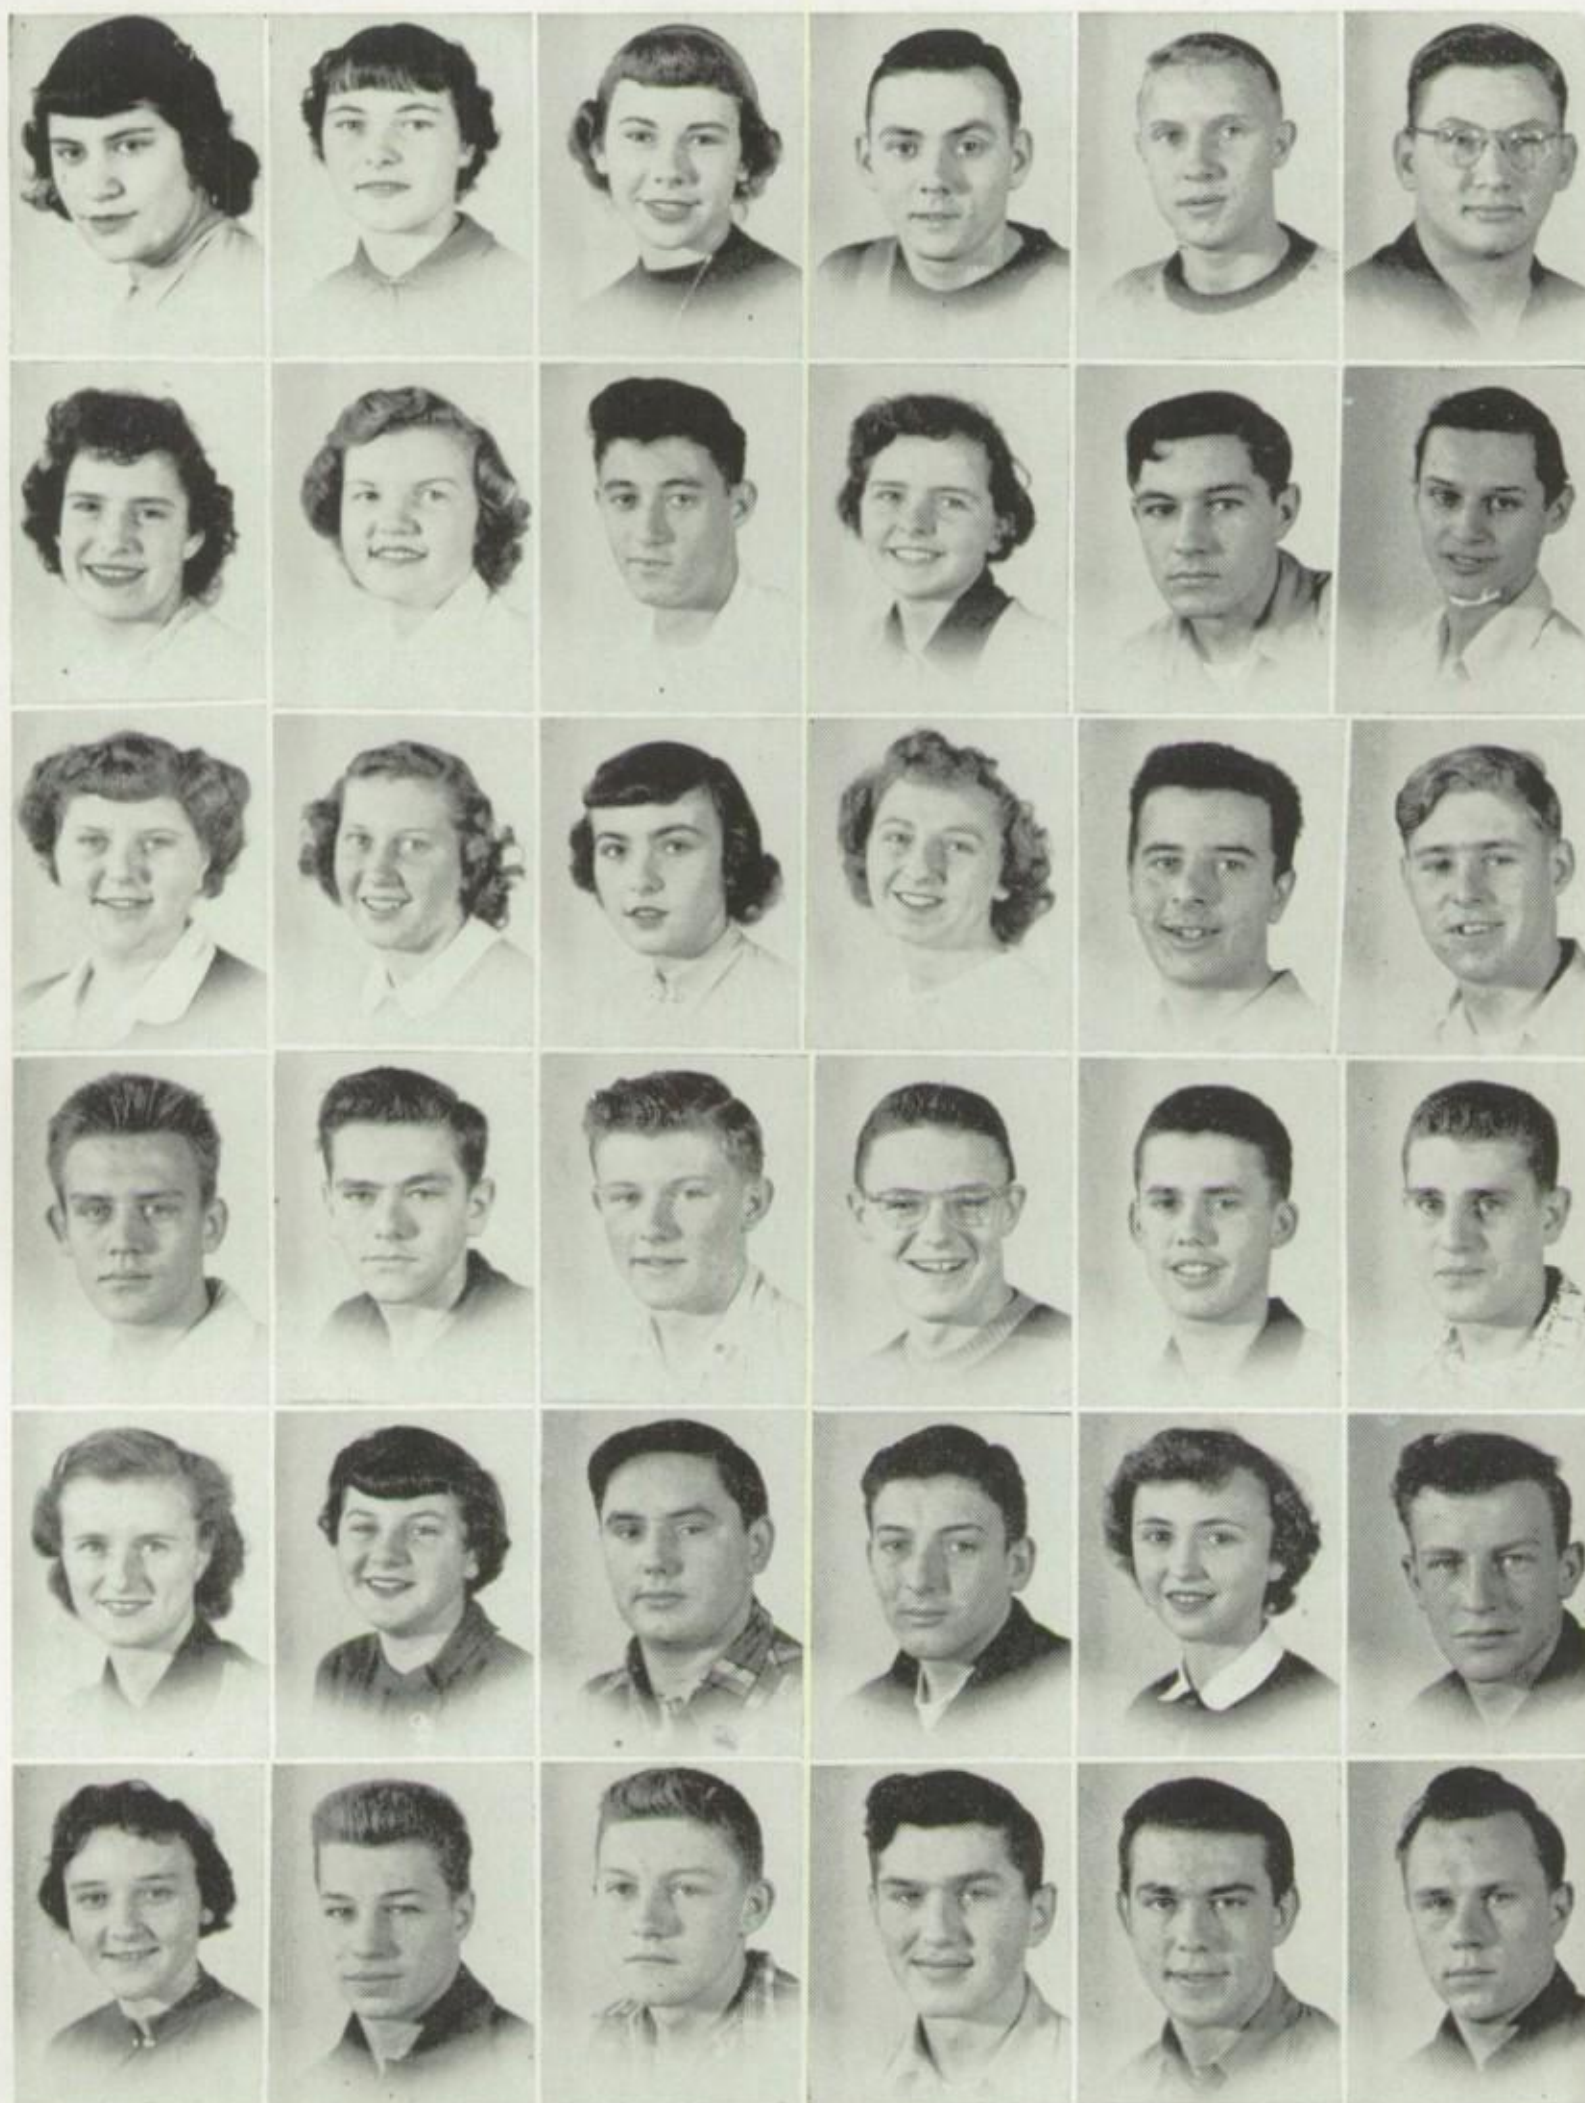

*Dorothy Rosenkranz
and
Stephen Mann*

"South Pacific" was the theme of the annual Junior Prom which was held on the evening of April 21. Colorful tropical scenes decorated the sides of the gymnasium. The couples danced to the music of Tom Temple and his orchestra, while interested parents and friends looked on from the balcony.

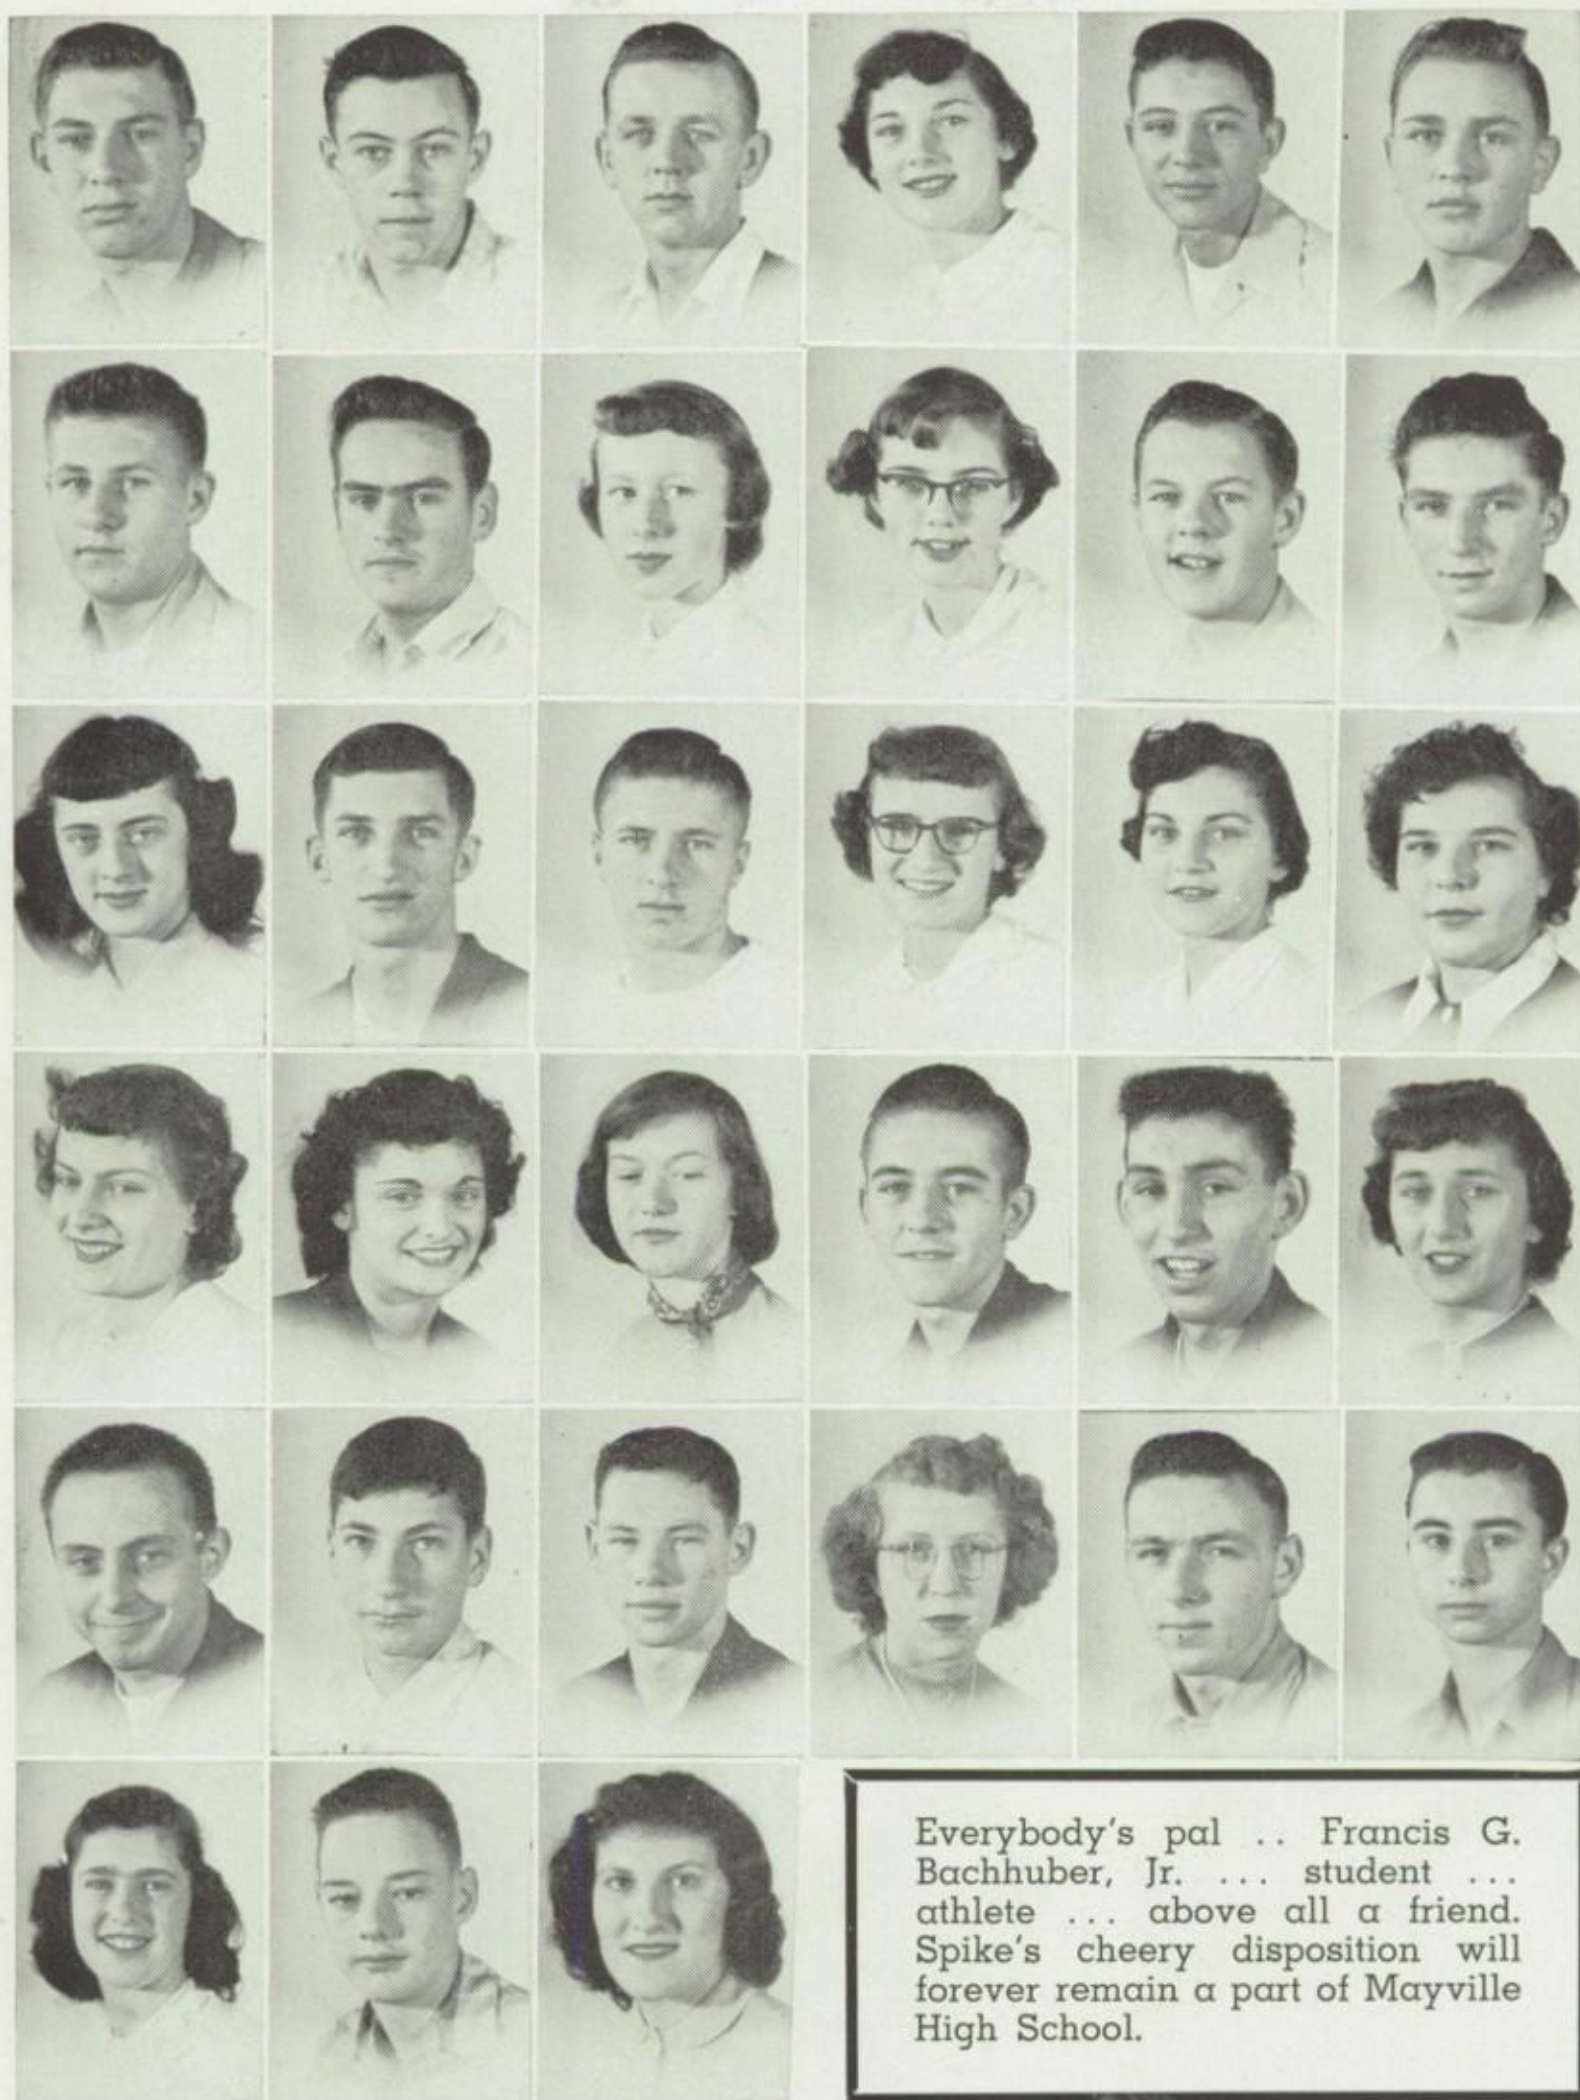

King Stephen Mann and Queen Dorothy Rozenkranz led the Grand March. The Court of Honor consisted of Edward Quandt and Arlene Wild, Jack Pichotta and Mary Ann Hussli, and Gordon Stuckmeyer and Virginia Jacobson.

DRAMATICS CLUB

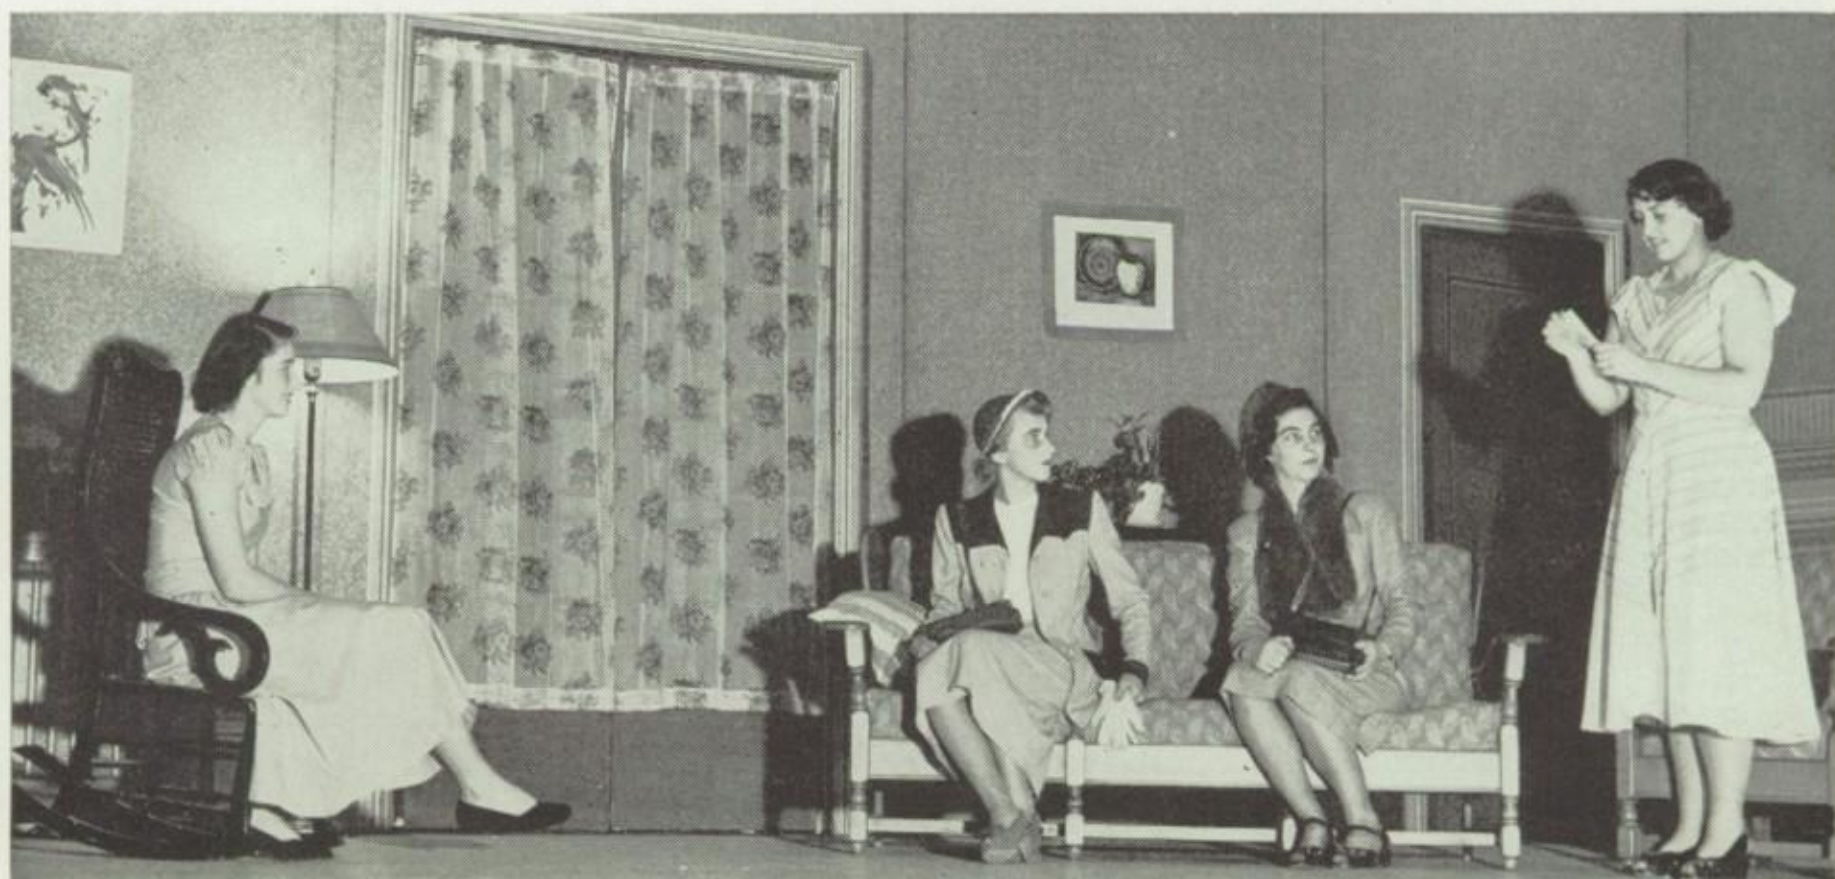

At the first meeting of the Dramatics Club, a large number turned out, in fact, 60 members all of whom were girls. As the year progressed, boys were drafted into membership. All students who were interested in any dramatic phase could belong to the club. Meetings were held every week with pantomimes,

charades and anything bearing on some phase of dramatics. This year the club undertook three one act plays. The casts and production crews were drawn entirely from the Dramatics Club. Miss Dufek acted as advisor of the club and supervised all of their activities.

DEBATE

Resolved: the American People Should Reject the Welfare State. This was the question on which the debators really had to work to find some good basic points because of the broadness of the subject. The small group of interested students slaved over handbooks, magazine articles and 3x5 card files to prepare for the coming tournaments. In addition many hours were spent in practice speaking. Once the debators got started on speeches, the only thing that stopped them was the time limit.

The team attended invitational practice tournaments at Milwaukee, winning two out of six rounds: Hartford, three wins out of six rounds; and West Bend, three wins out of six. The team attended the Little Ten Debate tournament held at Ripon. The debators made an average showing, winning three out of six rounds. (By the way, this happened at the time of one of our worse storms this winter.) From the district tournament at West Bend

the team brought forth another three wins and three losses, equaling West Bend's rating. None of the Little Ten schools rated to go on to the sectional tournament.

The team was lined up as follows:

First affirmative Geraldine McGilsky
 Second affirmative Alan Ehrhardt
 First negative Lola Dennstedt
 Second negative Milton Hurlbert

For the first time this year a B debate squad was organized. It was composed of members taking debate for the first year. They attended a practice debate and gained valuable experience for future years.

The members of the squads enjoyed the opportunities and experiences gained throughout the season and extend their appreciation to their advisor, Mrs. Adams, for the unlimited help and understanding guidance she has given them.

GERMAN CLUB

This year's German Club was constituted of eleven seniors, eight juniors and one sophomore. Besides getting acquainted with the German language we have had much "gemutlichkeit" during the year.

At our first meeting we elected officers and planned the activities which we sponsored. The first project was that of initiating our nine new members. Later in the year we had the pleasure of hearing the experiences of Horst Von Rohr, an exchange student from Germany. Several of our meetings were taken up in practicing the German hymns which we caroled during the Christmas holidays to

the elderly people of the city.

As the second semester arrived a different "Deutsche Lehrerin" came with it. This year we again remembered the grateful orphan children of Germany. We gathered and sent them boxes of shoes, clothing, toys and other useful articles. We finished the year by having a schafskopf and canasta party, following the tradition of serving a lunch consisting completely of German foods.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America organization includes girls who will be the homemakers of tomorrow, and are studying the homemaking course. ACTIVITY PROGRAM

Proper use of leisure time is one of the Cardinal principles of a good education for life. Mayville High School instituted in the educational program an activity program that is aimed at teaching our future citizens to use their leisure time effectively and profitably. Hobbies, games, and sports are being

stressed with the hopes that everyone will benefit. Activities that formerly met in the evening are being held during the school day so all may participate. Happy days are ahead for those who wish to have fun with the gang regardless of age, size or shape when leisure is properly planned.

"A" SQUAD FOOTBALL

This year under a new coach, the Mayville High School football team completely changed its system of play. This caused a bit of confusion with the players, but it was straightened out by the time they played their first game, non conference against Plymouth. Mayville lost to Plymouth 7-0 in the last minutes of play. During the first half of play, the game was all Mayville's. Mayville received the opening kick and marched down the field to Plymouth's one yard line. Here the Cardinals lost the ball on downs. A bad kick by Plymouth gave the ball to Mayville on the Plymouth 20 yard line. Mayville fumbled and Plymouth recovered on their own 16. Just before the half Mayville, thanks to a bad kick, again was deep in Plymouth territory only to fumble on

the 13 yard line. The half ended with no scoring by both teams. The only bright spot on the second half was Plymouth's only touchdown which was made with only minutes left in the game.

In the first conference game of the season, played at Mayville, Mayville lost to the Prison eleven, 13 to 7. In the closing minutes of the first half Oliver Jacobson intercepted a Waupun pass on Waupun's ten yard line. In four plays Mayville scored with Jacobson going over from the 3 foot line. Grosenick kicked the extra point. Half way in the third quarter Waupun scored, but Heim, Mayville end, blocked the extra point and Mayville led 7-6 at the end of the third quarter.

Shortly after the fourth quarter Barkley scored for Waupun

and Edmunds converted. The game ended with Waupun out ahead 13-7. Both teams were even in rushing and passing yardage in the first half, but Waupun gained 195 yards to Mayville's 86 in the second half.

On the first road game Mayville dropped a hard fought battle to Columbus, 13-7. Mayville scored in the early minutes of the first quarter when Stipanovic punted out of bounds on the Columbus 20 yard line. On the first play Columbus fumbled and the ball was recovered by Kahlow on the Columbus 16 yard line. In five plays Tighe scored from the three yard line. Grosenick converted. Midway in the second quarter Columbus scored when Bornitzke passed to Link for a touchdown. A few minutes later Columbus scored again after intercepting a Mayville pass. The extra point try was blocked. Late in the last quarter Mueller recovered two Columbus fumbles within the space of three plays to give Mayville the ball. Any chance of scoring was stopped when Columbus intercepted another pass, and the game ended shortly after this.

Mayville came from behind in the final two minutes of play to gain a 7-7 tie with Ripon before a large homecoming crowd. Mayville missed several scoring chances in the very first minutes of the game when Smith recovered a Ripon fumble on Ripon's nine yard line. On the next play Mayville fumbled, recovered on Ripon's 6, but lost the ball on downs. Ripon punted out to Mayville's 37. With Stipanovic and Jacobson alternating on running plays, Mayville drove to Ripon's 30, but lost the ball on a fumble. On the next play Heim intercepted a Ripon pass and returned the ball to the Ripon 27 yard line. Ripon intercepted a Mayville pass to stop the drive. In the early minutes of the second quarter Grabow faded back to pass and not being able to find a receiver, ran 35 yards to Ripon's 23. After 3 plays Mayville lost the ball on downs. In the first half it was all Mayville with Ripon getting a minus 11 yards rushing and no yardage passing. In the middle of the third quarter Ripon scored its only touchdown giving it a 7 point lead.

With more than half of the last quarter gone, Grabow returned a Ripon punt to Mayville's 20 yard line. Ralph Smith went 18 yards to Mayville's 38. Jacobson picked up four more yards, and in two tries Smith made a first down on Ripon's 48. In the next two plays Jacobson went to Ripon's 39, and Ripon was penalized 15 yards on the next play for holding. This put the ball on the 24. On the next three plays Smith went over for the touchdown running 9, 9, and 6 yards. Smith, whose brilliant running gave Mayville its only touchdown, was the outstanding player on the field.

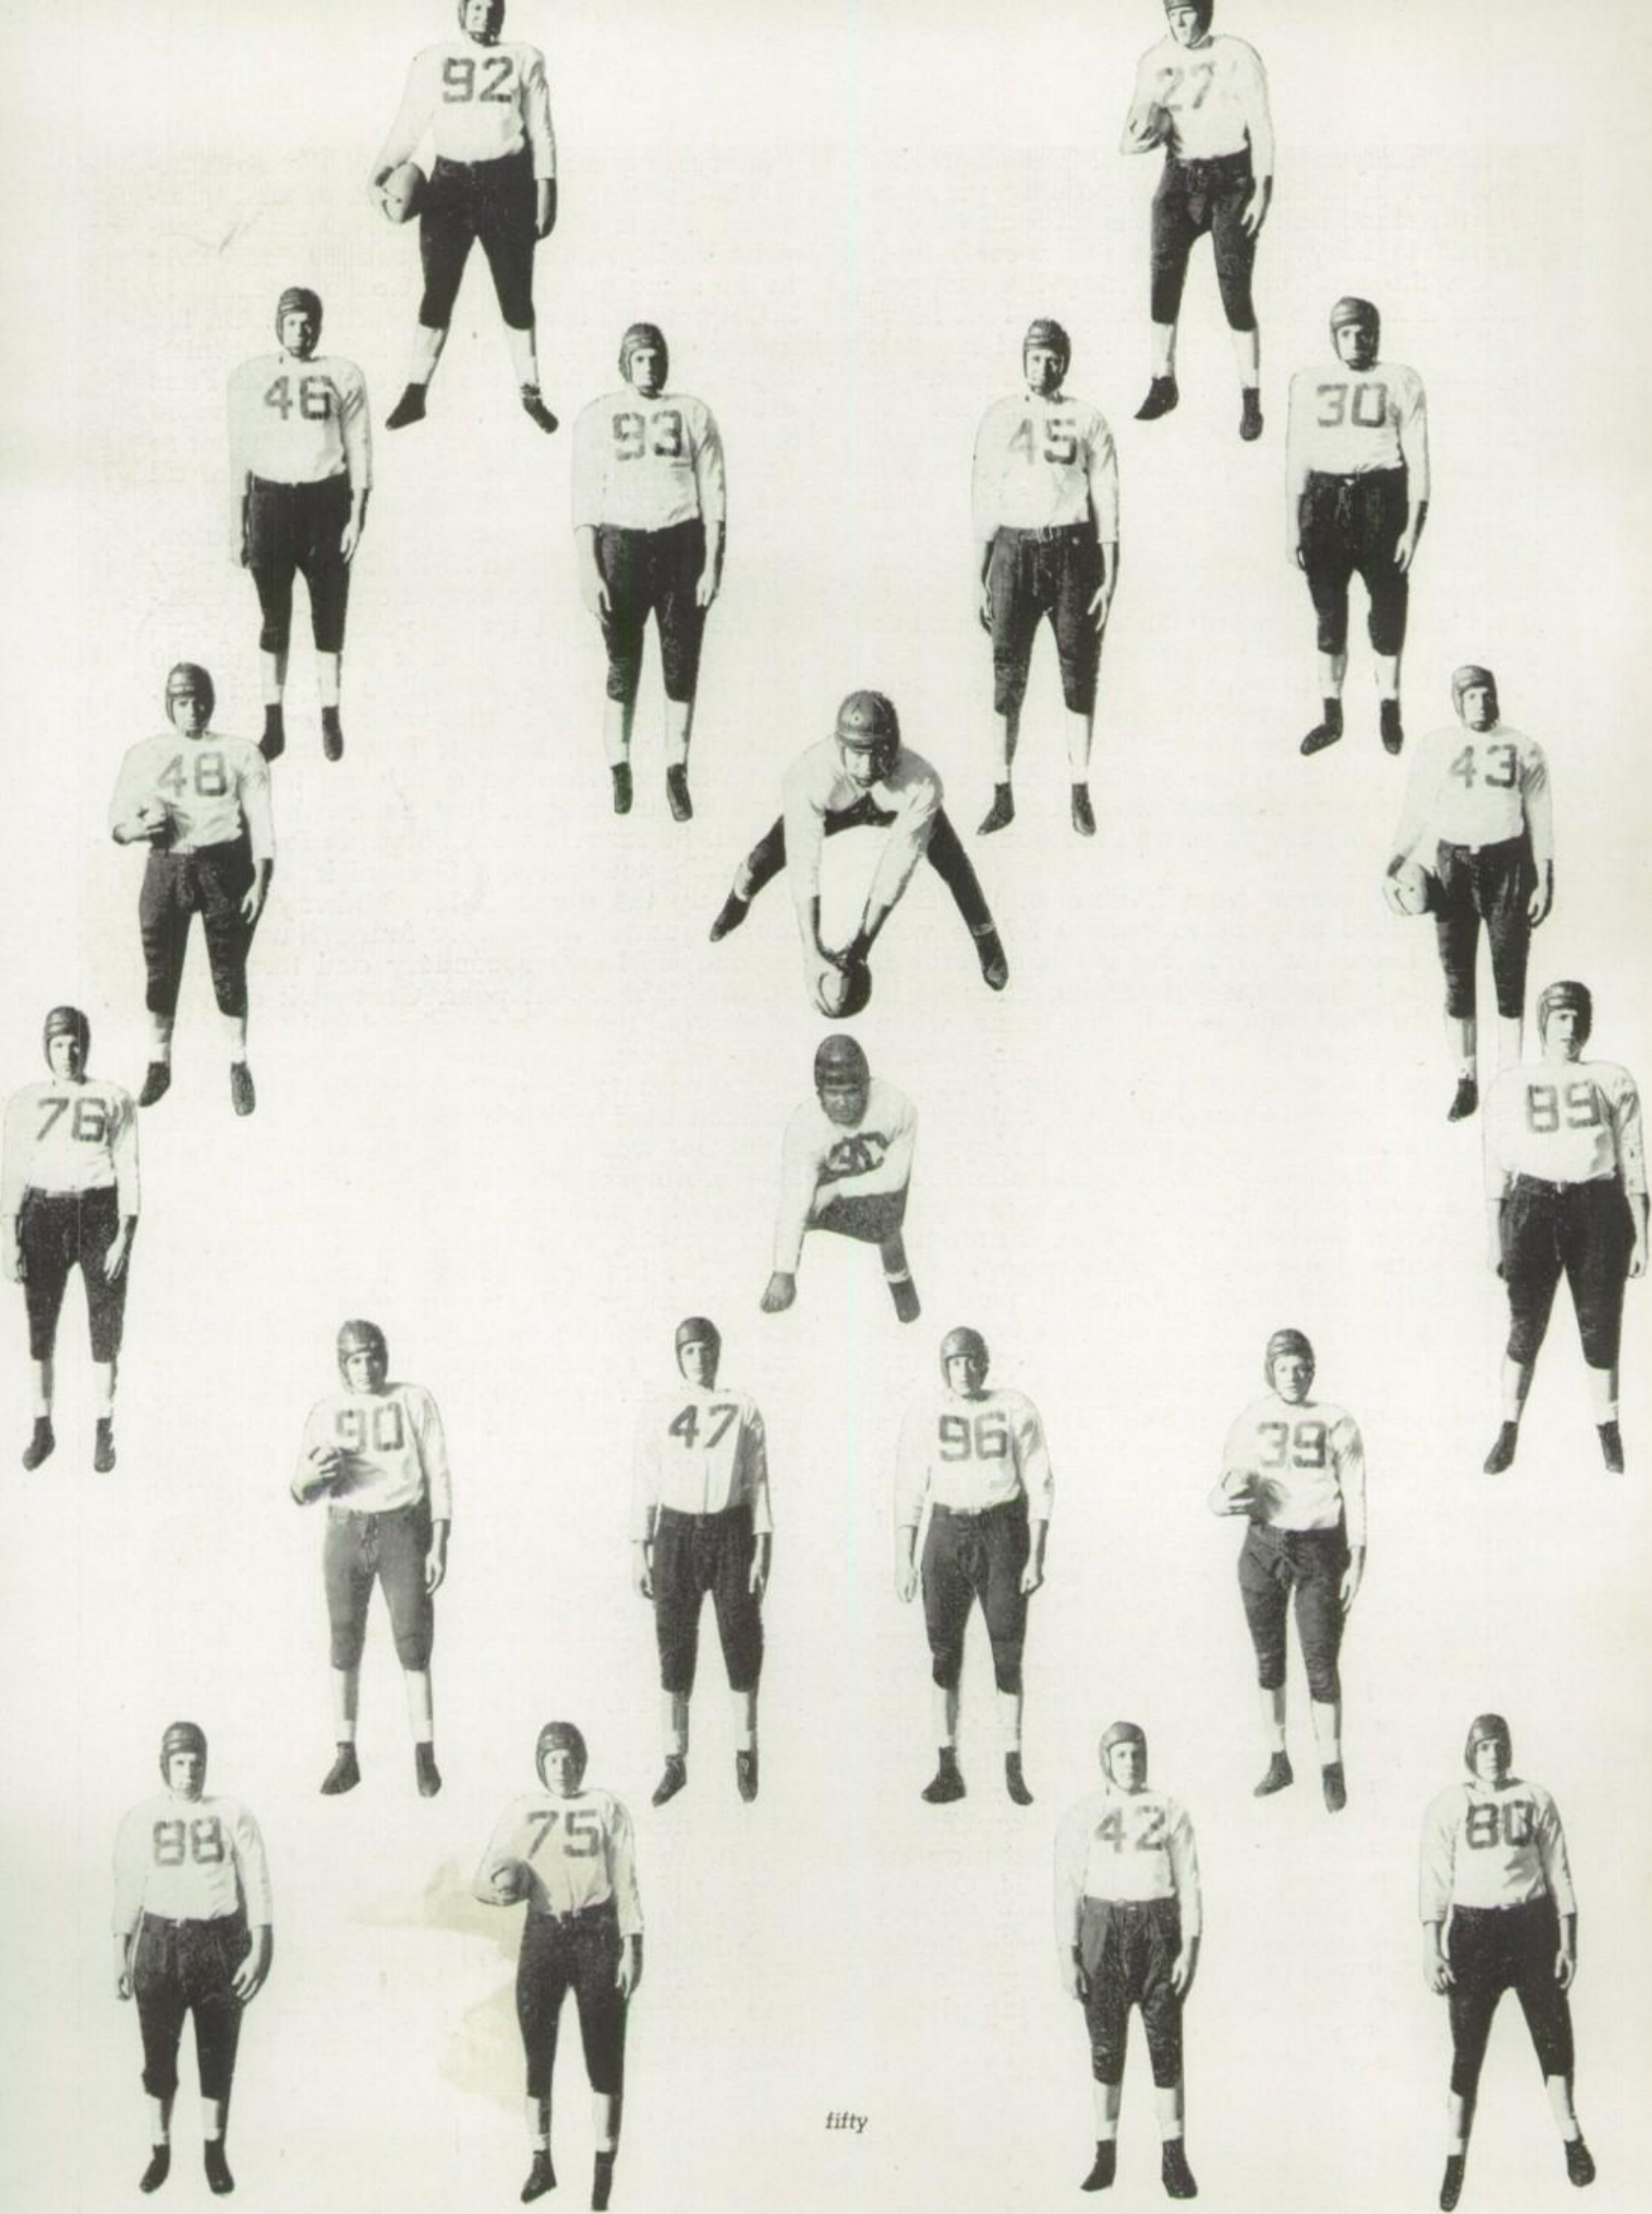

Mayville failed to spoil Menominee Falls homecoming when they lost to the Falls 20-0. The Falls scored early in the second quarter on a four yard buck, and Richardson converted. Mayville's scoring chance came late in the same quarter when Grabow passed to E. Kahlow on the Falls 11 yard line. On the next play Mayville lost the ball on an intercepted pass. Late in the last quarter the Falls drove 50 yards for a touchdown and the score stood 14 to 0. Two plays later Menominee Falls again intercepted a pass and went all the way for the last touchdown.

Playing the last home game of the season, Mayville beat Horicon 20-19. On the first play of the game Horicon scored on a quick opener that was good for 61 yards. Four plays later Horicon intercepted a pass on the 50 and returned it to Mayville's 12 yard line. On the next play Marsh went over to score. Mayville struck back a few minutes later when Stipanovic fired a 12 yard touchdown pass to Stuckmeyer. Just before the quarter ended, Stipanovic went 20 yards for another Mayville touchdown. Grosenick converted to tie up the game 13-13. Midway in the fourth quarter Stipanovic found Stuckmeyer beyond Horicon's secondary and threw him another touchdown pass. Grosenick converted and put Mayville out ahead 20-13. Minutes later Horicon completed on 83 yard touchdown pass to close the scoring gap 20-19. Horicon tried to buck the line for the extra point but was stopped by the Mayville line. The scoring of the game ended here.

Mayville suffered its worst defeat of the year, bowing to Beaver Dam 32-7, at Beaver Dam. The first quarter was played in Beaver Dam territory with the quarter ending 0-0. Early in the second quarter Beaver Dam scored on a quick opener that was good for 55 yards. A few plays later Beaver Dam scored again on a 22 yard pass play and the half ended 13-0, Beaver Dam. Early in the third quarter the Beavers scored on a 2 yard buck and the extra point try was blocked by Mann. Just before the quarter ended the Beavers scored again on a 46 yard run.

Late in the last quarter Stipanovic fired a pass to Stuckmeyer, who went over for the touchdown. The play covered 26 yards. Grabow kicked for the extra point and the score was 25-7.

On the Mayville kick off the Beavers returned the ball to Mayville's 30, and scored on the next play. With one minute remaining in the game Stipanovic fired another pass to Stuckmeyer on the 50 and Stuckmeyer went all the way only to be called back because the Mayville backfield was in motion. The bright part of the Mayville game was Stipanovic's punting and passing and the defensive game of Becker and Mann.

"A" SQUAD BASKETBALL

Our basketball squad started a fairly successful season under a new coach, by beating Campbellsport in a practice game 45-34. Coach Dohr's team was handed its first defeat at the hands of the Plymouth team 55-29. We then met our traditional foe, Horicon, in a nip and tuck game played on our own floor, the final score being Horicon 43 and Mayville 42. Our boys hit their stride in whipping West Bend 62-50. Then they took to the road and met an alert Columbus "five" and were defeated 58-33. The day before Christmas vacation, we met Campbellsport in a non-conference game beating them by a score of 58-38. Mayville next met Berlin on our own home floor where the fans witnessed one of the most sparkling performances of the year, in which Eddie Schalinski scored 10 field goals and 3 free throws for 23 points, which gave us a 51-47 victory. Then going to Beaver Dam, we lost a thrilling heart-breaker. Mayville was leading by one point with 55 seconds to play when a Beaver Dam

player went down the floor and sunk a long shot, clinching the game for Beaver Dam 45-44. We again met Horicon and took them by a score of 42-37. The team then hit a losing streak being beaten by Hartford with the final score 58-48. Mayville traveled to "Cooney" where the boy's could not reach the height of the "Cooney" five and lost by a margin of 68-41. The Mayville team came to life again when we met Ripon's team on our floor. The game ended in an overtime which we lost by only 3 points, the final score being 54-51. For our last conference game, we met Waupun, but came home greatly defeated by a "hot" team. The final score was 73-42. For the last game our team took the long journey to Menominee Falls, returning home defeated.

The team came through the season with a 5 win and 9 loss record which does not truly picture the exciting and breath taking games played by one of the best Mayville teams in several years.

Back Row: left to right: R. Wagner, C. Schumann, G. Reiser, W. Koeck, G. Gruber, A. Finke, R. Hartmann, R. Bernard, R. Miller, R. Schabel, A. Steinhorst, D. Griepentrog, G. Lechner, D. Dutton, T. Ziegler, G. Stellmacher.

Front Row: J. Abdella, R. Walthers, N. Kohli, L. Wagner, A. Voss, V. Lehr, F. Marrese, G. Giese, D. Lehring, K. Whitford, J. Bartelt, K. Tighe, K. Zimmerman, N. Sternat, R. Genzmer. Center: Mr. Knueppel, Mr. Whitford.

"B" SQUAD FOOTBALL

Under the excellent coaching of Mr. Whitford and Mr. Knueppel, the team tied for the conference championship with West Bend. Their first game with Fond du Lac Junior High was rained out and rescheduled for a different date. The following Tuesday the Junior Cards looked a little sloppy in tying Hartford, 6-6. A week later the Junior Cards showed great promise in whipping Cooney, 19-7. The following week West Bend came over and trounced the Junior Cards, in their last home game, to the tune of 21-0. Then they traveled to Fond du Lac to play the postponed non-conference game and beat them 20-0. In their last game, the Junior Cards traveled to Horicon and whipped them, 20-6. The team elected Norman Kohli and Allan Voss as co-captains.

Left to right: W. Muche, J. Bartelt, E. Voss, A. Voss, K. Zimmerman, A. Finke, R. Bernard, A. Steinhorst, L. Wagner, J. Ragatz, Coach Knueppel.

"B" SQUAD BASKETBALL

The squad was supposed to start the season with two non-conference games. The Campbellsport game was called off because of some disorganization on the Campbellsport squad, but they dropped the Plymouth game 36-20. They opened their conference season with a thrilling 25-24 win over Horicon and a 27-19 victory over West Bend. Playing good ball the "Bees" also won the Columbus game 30-20. Before the Christmas vacation they lost a 37-27 non-conference game to Campbellsport. They then came back to whip Berlin 29-22. Traveling to Beaver Dam they dropped their first conference game by a close 27-26 score. They then beat Horicon again

24-18 and also beat Hartford 33-29.

After the Hartford game Don Griepentrog was taken up to the "A" squad and it was hard finding a combination that would click. Here's where the "Bees" started their downfall. They were beaten by Oconomowoc 37-32, by Ripon 28-21, by Waupun 35-21, and by Menominee Falls in a non-conference game 32-20.

The squad finished with a conference record of 6 won and 4 lost. Mr. Knueppel had only two returning players of last year's team to build his team around so he deserves a lot of credit for developing the kind of team he did.

THE LONG REACH

HOMECOMING — 1950! As is sometimes the case, festivities that are planned in a hurry turn out to be huge successes. So it was with this year's Homecoming. An enforced vacation almost doomed the big celebration, but with a burst of enthusiasm the entire student body and community helped put it over with a "bang." The theme, "Derby Days," saw everyone wearing colorful der-

bies. The Hobo Parade was a riot of color, and the floats seemed to be better than ever. At the big game, Ripon provided stiff opposition, and the Cards had to settle for a 7-7 tie. But for a finishing climax to the grand festivities, the dance, accompanied by Dick Reed and his band, was a huge success. We shall all long remember Homecoming — 1950.

Janitor "Red" Bernard and our school's new "Snowstorm on Wheels." Other helping hands that keep Mayville High neat and bright are: Art (the painter) Gloede, James (Fixit) Becker, and Elizabeth (the janitress) Bernard.
